

Dear Employees,

Recently the New Jersey Theatre Alliance decided to sponsor an Association/Affinity Health Plan and it is possible that this will provide us with a more affordable option, in which case we would look to move forward. In order to determine if this plan can work for our organization, all benefit eligible employees (30+ hours per week) need to click on the above QR code and either complete the Personal Health Questionnaire, or indicate they plan to waive coverage.

If you are currently covered under Medicaid, Medicare and/or a spouse or parent's plan and wish to stay there, simply click on the box that says; "I plan on waiving coverage from the Health Plan", and you won't have to answer any of the health questions. If you may be interested in the plan if we decide to move forward, please answer the health questions for yourself and any family member that you may wish to include. Once everyone has either waived or completed the form and we learn what the rates will be, we will decide if we can move forward and offer this benefit. If we decide to move forward, we will let you know what your plan design options would be and how much you would be expected to contribute to the cost.

Thank you and please contact me with any questions.
